

HOSPITAL POLICIES

Version: 2025.1 Effective Date: January 1, 2025

1. PATIENT CONFIDENTIALITY

All employees, contractors, and consultants must protect patient information in accordance with HIPAA and hospital privacy regulations.

Access to patient records is restricted to authorized personnel with a legitimate business or clinical need.

Unauthorized disclosure of patient information may result in disciplinary action, including termination.

1. EMPLOYEE IDENTIFICATION

All employees must visibly display hospital-issued identification badges while on hospital premises.

Lost badges must be reported within 24 hours.

1. ELECTRONIC DEVICE USAGE

Personal devices may not be used to photograph patient information.

Only hospital-approved devices may access clinical applications.

1. RECORD RETENTION

Patient records must be retained for a minimum of 10 years.

Financial records must be retained for 7 years.

1. INFORMATION SECURITY

Passwords must be changed every 90 days.

Multi-factor authentication is mandatory for remote access.

Users must lock workstations when unattended.

1. INCIDENT REPORTING

Security incidents must be reported to the Information Security Team within one hour of discovery.

Clinical incidents must be reported using the Hospital Incident Management System.

1. COMPLIANCE

Annual compliance and security training is mandatory for all staff members.

Failure to complete training may result in suspension of system access.
